All exhibits marked in this color are installations by the Haddonfield Outdoor Sculpture Trust (HOST).

The Haddonfield Outdoor Sculpture Trust (HOST) is an educational public/private partnership with the Borough of Haddonfield NJ to enhance the downtown with figurative and abstract outdoor sculptures from acclaimed artists. Some are permanent, some are on loan or lease from the artist and are available for purchase.

The goal is to transform this walkable, attractive and historic town into a significant center for

juried outdoor sculpture, following in the great tradition of thousands of years of public art around the globe.

Sculptors from around the country and the world are represented with a ballerina, postman, refugee, giant red heart, animals at the Children's Sculpture Zoo, and many more.

There is always something inspiring to see!

Haddonfield Outdoor Sculpture Trust (HOST) is a 100% volunteer, community-based tax-exempt 501(c)3 and receives no public funds. All of the sculptures and our events are privately funded.

Your financial support is critical. Your donations are fully tax-deductible. Although HOST is an educationally-focused public/private partnership, we receive no public funding. Rather, we rely on private contributions.
